Accepting your offer

We are confident that Essex can offer you a transformative education and hope that you decide to accept your place. In order to secure your place, please accept your offer within 7 days from the date of this offer letter by clicking the 'Reply to Offer' link found within the 'Applying' tab on your [myEssex applicant portal](#). If you do not accept within 7 days then your offer may be automatically declined. If you are unable to accept your offer within this period, please contact us to make alternative arrangements.

Verification of qualifications

All applicants are required to provide proof of their qualifications and if you choose to accept our offer, we won't be able to issue your CAS until we have verified your admitting qualifications. In some cases we will have received the required documentation already. If you haven't already provided a suitable proof, please upload your certificates and transcripts or other outstanding documents to your [myEssex applicant portal](#). Good quality colour scans or photos are usually acceptable, but we may ask you to provide originals before we can verify your results. Otherwise, we will be in contact to ask you to provide this before we issue your CAS.

Paying a deposit

You will normally need to make a deposit payment, or show relevant proof of sponsorship, to receive a CAS from the University of Essex so that you can make a Student Visa application. If you are studying as part of a Link Agreement or are taking a Pre-Sessional English course with us prior to starting your degree, then you will not need to pay the deposit. We will let you know if and when you need to make a payment. You can also see more information about making a deposit payment [on our website](#). Please be aware that additional checks need to be carried out before a CAS can be issued, which means your CAS will not immediately generate upon receipt of your deposit. Further information on the CAS issue process can be found [on our website](#).

The Student Contract

The Student Contract documents on your applicant portal relate to October 2022, January 2023 and April 2023 entry. As your offer is for October 2023 entry or later, there may be minor revisions to these documents for 2023/24 entry. We will send the new versions to you when these are available (from October 2022) and these will be available on your portal at the same time. If the documents have changed, we will let you know of the key changes at the point of sharing the 2023/24 documents with you, and advise you on your options.

Important information about your offer

Our Important Information About Your Offer booklet(.pdf), posted on your [myEssex applicant portal](#), is packed with handy information on applying for accommodation, dates for your diary, and more.

We have now received your full tuition fee. This letter is official proof of your place and can be used by education authorities and banks to confirm your student status.

VISA Extension

As part of your Tier 4 visa application, you will need to show that you have enough money to cover the cost of living in the UK. Your bank statement (belonging to either you or your parent/guardian) will need to show that you have held at least **£9300** for a continuous 28-day period before you apply for the visa. We'll need to see an example of your statement before we can issue a CAS for your visa application.

Please note, University College Birmingham will send you information regarding enrolment and induction closer to your start date. You will also receive welcome information which will provide you with lots of useful information about becoming a student at UCB.

If you're thinking of deferring your entry to the next academic year, please contact the International team as soon as possible to discuss your options.

VISA Application

You will need to apply for a Tier 4 student visa to study in the UK, and you will need to obtain this visa before you travel. We can help you throughout the Tier 4 application process, and we will be in touch soon to provide further details about the visa requirements. If you have any questions in the meantime, please contact international@ucb.ac.uk.

Extending your visa whilst in the UK

If you will be extending your Tier 4 visa from inside the UK, you will need to submit your application through our Tier 4 advice service before your current visa expires. This is so that we can confirm that you have made a valid, in-time visa application before we can enrol you on your course. Please contact tier-4-advice@ucb.ac.uk to discuss your visa application and make an appointment as soon as possible.

UCB Conditions

Please find below the terms and conditions of your offer of a place to study at UCB. Please make sure you read these carefully as they can contain important information about your rights and responsibilities as a student at UCB and the basis on which we intend to deliver our services to you, www.ucb.ac.uk/terms-and-conditions.

The International team would also like to make you aware that our courses are subject to receiving sufficient applications. If your course does not receive the required number then, unfortunately, your place will no longer be available, however, your place will be upheld for our next viable intake or you will be offered an alternative course.

We look forward to meeting you and welcoming you to University College Birmingham.

If you have any further questions, please do not hesitate to contact us at international@ucb.ac.uk.

Information for Students Who Require a Student Visa to Study in the UK

If you need a Student visa to study in the UK, and we haven't yet been in contact with you, we will contact you from six months before the start of your course with a link to an online CAS questionnaire. You will need to complete this before we can issue your Confirmation of Acceptance for Studies (CAS). A CAS is issued after:

- we have received and reviewed your CAS questionnaire responses
- any other information and documents requested have been received and reviewed, and you have passed a credibility assessment where required
- any deposit has been paid (if needed)

You can track the progress of your CAS using the CAS tracker on your myEssex applicant portal.

Once your CAS has been issued, you will be able to access your CAS statement on your myEssex applicant portal.

If we find that you are unable to meet all Student visa requirements (including when there have been changes to those requirements made by the Home Office), we may not be able to issue you a CAS.

Graduate Route Eligibility

Students holding a Student visa who successfully complete a Masters or PhD course in the UK, and meet other relevant eligibility criteria, are able to apply for further immigration permission to remain in the UK for two or three years with a Graduate visa. If you are interested in applying after you finish your course, you'll need to meet all the Graduate route requirements, including studying in person in the UK from the start of your course. The scheme will only be open to those who have studied in the UK for a relevant period on a Student visa. If you start studying with another type of immigration permission, you may not be eligible. If you are interested in the Graduate route, see [our website](#) for more information and useful links.

Cost of Living

We understand the challenges our students, staff and applicants are facing during the current cost of living crisis. We believe in the value of community; in supporting people as best we can through difficult times. We have introduced a number of measures to provide assistance for our students and staff.

These have included introducing cheaper hot food options on campus; increasing our Hardship Fund total and reducing barriers to claiming support; creating new student employment opportunities across campus; including energy bills within accommodation costs; and more.

For more information, please see our [cost of living webpage](#).

Fee Status

Your fee status has been determined from the information provided in your application. We may review your fee status during the admissions process and we reserve the right to amend your fee status in accordance with UK Fees and Awards legislation in force at the relevant time. If you think that we have assessed your fee status incorrectly, you should contact Admissions using the contact details at the top of this letter. Please be aware that we are unable to change your fee status if you request this after 31 October of the first year of study or 4 weeks after the start of your course if your course does not start in October. Further information about fee status assessment can be found on our [fee status web page](#).

Accommodation

If you haven't already done so, you can apply for University accommodation on your [myEssex applicant portal](#). Further details can be found on [our accommodation web pages](#).
